New

The Complete In-House Recruiter Course

Perfect for In-House Recruiters, Resourcers & Talent Professionals

28 Days - 1 hour guided online study per day at your desk

The ultimate course to train new or existing In-House recruiters. The course covers every step of the In-House recruitment process as well as equipping In-House recruiters with tools and techniques to fast-track performance, personally develop and work effectively with the business.

By the end of this course you will be able to understand the impact your role has in shaping an organisation, develop techniques for influencing and building relationships, and support to build your brand.

The 28 Units will cover:

- The history and evolution of the recruitment market
- Global talent trends
- The different In-House models
- An overview of RPO/MSP models
- Building a recruitment strategy
- Workforce and recruitment planning
- Understanding and building an employee brand
- Building external attraction strategies
- Managing candidate pools and relationships
- Creating and developing volume campaigns
- Engaging and managing internal talent
- Creating solutions
- Managing operational vs Strategic
- Job descriptions & taking a brief
- Interview techniques
- Assessment tools
- Collaboration and managing internal relationships
- Managing and building supplier relationships
- Influencing the business
- Managing objections
- Headhunting
- Graduate recruitment
- Offer and on-boarding
- Using Data and analytics
- Recruitment technology
- What does it take to be a successful in house recruiter
- Developing my own career
- Networking and personal brand
